

# ALI MOMENI

## FRONT-END DEVELOPER

I am Ali Momeni and I am a passionate front-end web developer.

There is no such thing as failure for me and I have always tried to learn and improve my level.

I've always been fascinated by the intersection of design and technology, and I'm excited to be able to bring my creative ideas to life through coding.

---

### SKILLS

- HTML/CSS
- Javascript
- React.JS
- Redux Toolkit
- Next.Js (Learning)
- GraphQL

---

### EDUCATION

#### IT ENGINEER

Bachelor of Computer Engineering , IT orientation  
Islamic Azad university | 2021 - now

---

### PROJECT

#### NASA WEBSITE

development by React.

The design of the NASA website is based on the articles on the company's main website.

This project is efficiently programmed from the React library and reactivity is one of the main features of this project.
